13.3 Seating Rights

The team with the seating rights sits NS in the open room.

14. Change of Players

A change of players, pairs or partnerships can be made only at the beginning of a match or a session.

15. Disclosure of Systems and Conventions

15.1 Systems Policy

The WBF Systems Policy, adopted by the APBF, forms part of these Conditions of Contest. No HUM system or Brown Sticker conventions are permitted throughout this Congress.

Note that psyches protected by system and classified as Brown Sticker Conventions, and psyche of conventional and artificial openings are prohibited.

Each team will be allowed a maximum of 4 systems. For the purpose of this section, if a system contains different methods for different vulnerabilities, each method will be treated as a separate system.

If a pair is found to have used a convention not listed on its Convention Card, it will be given a disciplinary penalty of up to 2 VPs deducted from the team's score in a team event, or 25% of the available top of a board in a pair event. In addition, the Tournament Director gives an adjusted score if he deems that the opponents are damaged by the use of such an unknown convention. The pair will not play again until it has corrected its card to the satisfaction of the Chief Tournament Director. If the pair re-offends in this way they will not be allowed to play in partnership for the rest of the event. In addition, such penalties will be applied should any pair in any event be found to have used a HUM system or Brown Sticker Convention.

15.2 Convention Cards

Players are responsible for ensuring that the system used in this Congress is fully described on the official WBF Convention Card, completed in accordance with the Guide to Completion, plus Supplementary Sheets, as necessary to describe conventional

sequences in detail. Each partnership playing **MUST** bring with them to the table 2 identical copies of such Convention Cards. Penalties for failure to comply are specified in Section 19.1.

15.3 Supplementary Sheets

Where a conventional sequence cannot be described adequately in the space provided on the WBF Convention Card, a reference number should be placed at the appropriate place on the Card; a Supplementary Sheet bearing that reference number, and containing the complete explanation must be attached to the Card.

15.4 Written Defences

Written defences against multi-2♣/2♦ openings are allowed at the table according to WBF System Policy. A written defence must be typed on 1 side of an A4 sheet and submitted to the opponents. 2 additional identical copies **MUST** be brought to the table.

16. Length of Rounds and Sessions

Between 7½ to 8½ minutes will be allowed per board, depending on the type of event and the number of boards played per round or session. The exact time allowed will be announced by the Tournament Director prior to the start of the event. Slow play will be subject to penalty (see section 19.3). Additional time will not be given to teams playing on Vu-Graph; neither will extra time be granted because of the use of bidding boxes, screens, discussions of systems or for other similar reasons.

17. Tie-Breaking Procedures

Ties will be broken for the award of prizes and for the purpose of qualifying.

17.1 Two Teams

If 2 teams are tied with the same number of VPs at the end of the qualifying round, the tie shall be broken in the sequence shown:

- a) IMP quotient (total IMPs won divided by total IMPs lost) in all matches played by the tied teams in that particular event. If the tie remains, then:
- b) IMPs earned by the tied teams in the match they played against each other. If the tie remains, then:
- c) Number of matches won.
- d) One-board (“sudden death”) matches will determine the winner.

17.2 Three Teams

If 3 teams are tied with the same number of VPs at the end of the qualifying round, the tie shall be broken according to the following:

- a) IMP quotient in all matches played by the tied teams in that particular event. If one tie still remains it shall be broken in accordance with Sub-section 17.1. If the 3 teams remain tied, then:
- b) If one of the teams earned more VPs against each of the other two in the matches it played against them in that particular event,

it shall be declared winner and, if necessary, the tie between the remaining two teams shall be broken in accordance with Sub-section 17.1. If the 3 teams remain tied, then:

- c) If one of the teams earned more VPs against one of the remaining teams and tied with the other in the matches it played between them in that particular event, it shall be declared winner and the tie between the remaining teams shall be broken, if necessary, in accordance with Sub-section 17.1. If the 3 teams remain tied, then:
- d) If one team has been beaten by the other two teams in matches it played against them in that particular event, it shall be ranked third in the tied positions and the tie between the remaining teams shall be broken in accordance with Sub-section 17.1.

17.3 Four or more Teams

If 4 or more teams are tied with the same number of VPs at the end of the qualifying round, the tie shall be broken according to the following:

- a) IMP quotient in all matches played by the tied teams in that particular event shall govern. Any ties remaining will be broken in accordance with Sub-sections 17.1. and 17.2 if appropriate. If there are more than 3 teams that remain tied after use of IMP quotients, then:
- b) If one of the teams earned more VPs against each of the remaining tied teams in that particular event or if it has, uniquely, tied one and defeated the other tied teams, it shall be declared winner and the ties for the remaining teams will be broken in accordance with Sub-section 17.2, if appropriate. If there are more than 3 teams that remain tied, then:
- c) Number of matches won. Any ties remaining will be broken in accordance with Sub-sections 17.1 or 17.2.

17.4 Pairs

Ties in pairs are broken in the following sequence:

- a) The pair with the highest score in its current session;
- b) The pair who scored the most match points (or IMPs) against the highest ranking pair (or pairs) that all the tied pairs played against;
- c) The procedure in (b) above will be repeated with the next highest ranking pair of pairs until the tie is broken.

17.5 Teams Semi-finals and finals

2 additional boards will be added. If a tie still exists, 1 additional board will be added each time until the tie is broken.

18. Disqualification

In the case of a team being disqualified, all matches it played prior to its disqualification may in the discretion of the Executive Committee be declared void and the scores earned by its opponents in those matches may be cancelled or varied.

19. Penalties

The schedule of penalties which follows is supplemental to the Laws of Duplicate Bridge 2017 (the Laws). All infringements of the Laws will be dealt with in accordance with the Laws. Upon publication of these Conditions of Contest no further warning is required (whether from the Director or otherwise) prior to the application of any penalty under the provision of the Laws or of these Conditions of Contest.

Victory Point penalties, where applicable, shall be deducted from the score of the offending team at the conclusion of the qualifying round. The VP penalties shall not affect individual matches in any manner, but may determine a team's ranking.

Penalties assessed in IMPs shall be deducted from the score of the offending team at the conclusion of the match during which the penalty was imposed, before its VP score is calculated. However the score of the non-offending team shall not be affected.

19.1 Convention Cards

Failure to bring 2 duly completed convention cards to the table is subject to warning for the 1st occurrence. Further violations are subject to a mandatory penalty of 2 VPs (in teams) or 25% of the available top of a board (in pairs). A pair will not be allowed to play without duly completed convention cards.

19.2 Lateness

Any team not seated and ready to play at the announced starting time of a match or a session of a match will be assessed a penalty according to the following scale:

0+ – 5 minutes late	warning to captain(s) (after 1 warning the provision for 5+ minutes late shall apply)
5+ – 10 minutes late	1 VP
10+ – 15 minutes late	2 VPs
15+ – 20 minutes late	3 VPs
20+ – 25 minutes late	4 VPs
Over 25 minutes late	minimum 5 VPs plus 1 VP every 5 minutes, but after 40 minutes the match is cancelled and considered a walk-over. At its discretion, the Chief Tournament Director may recommend more severe action by the Executive Committee.

19.3 Slow Play

The time allowed for each match or session shall be computed from the time when play in such match or session is started by a Tournament Director. If play continues after the time allowed by Section 16 of these Conditions then either or both of the pairs shall be subject to penalty, according to the amount of delay for which such pair was judged responsible, as follows:

Excess time apportioned to a pair

0+ – 5 minutes late	1 VP
5+ – 10 minutes late	1½ VPs
10+ – 15 minutes late	2 VPs
15+ – 20 minutes late	2½ VPs
20+ – 25 minutes late	3 VPs
Over 25 minutes late	5 VPs plus 1 VP for each additional 5 minutes and the Chief Tournament Director will impose disciplinary penalties on the pair and/or on the team. After 40 minutes the match shall be truncated, reducing the number of boards played; if this happens the match will be scored only with the boards played at both tables, but the same conversion scale will be used as that used for the complete match.

19.4 Fouled Boards

See the General Conditions of Contest for explanation. If a board is fouled and it can be determined that one side is clearly at fault that side shall be subject to procedural penalty.

19.5 Frivolous Request for Review

Forfeiture of the deposit if the Official Reviewer determines the request to be without merit (“frivolous”). See Section 32 of the General Conditions of Contest.

20. Recording of Matches and Verification of Scores

20.1 Official Electronic Score Submission

BridgeMate II will be used for score input at this congress. The North or South player at each table will be responsible for entering the score of each board, for each match and session thereof. The East or West player at each table will be responsible for confirming the scores entered. Team captains will agree upon the scores produced by the Congress’s official scorer for each match and segment thereof. At the conclusion of each match, or session of a match, the Tournament Director shall post an official result.

Players and Captains are reminded that they are responsible for the accuracy of their own scores.

The correction period in Law 79C expires at the time specified in Section 20.2; and thereafter, the results will be final, with the following exceptions:

- a) awaiting decision of the Official Reviewer on a filed Request for Review;
- b) completion of play or replay boards where such replay has been directed by the Chief Tournament Director.

20.2 Score Corrections

Score corrections may be made as sanctioned in Law 79 and in Laws 69 and 71. An agreed-upon score that is proven to be erroneous to the complete satisfaction of the Chief Tournament Director may be corrected up to 30 minutes after the posting of scores at the end of play on each day. Only the results of boards played that day are subject to correction.
